The Five Practices of Exemplary Leadership®

“ I left the meeting each week with ideas and initiatives that I was able to immediately put into practice. It was so helpful to have real suggestions that I could easily implement in my daily running of my business. I gained so much with this course. I highly recommend it to all local business owners. ”

What is The Leadership Challenge?

The Leadership Challenge® is a leadership development model based on more than 30 years of rigorous research by Jim Kouzes and Barry Posner. Seeking to learn what effective leaders do to achieve extraordinary results, they continue to conduct hundreds of interviews and case studies to understand the times when people perform at their personal best. Intensive research and analysis has revealed the five fundamental practices that are always present during extraordinary leadership achievements.

Why Take The Leadership Challenge?

The Leadership Challenge® Workshop introduces you to those five practices and engages you through experiential activities, exercises, and group work. The learning experience includes the Leadership Practices Inventory® (LPI) 360 degree assessment, a personalized analysis of how you currently use these practices in your work. You'll get plenty of personalized, hands-on guidance on how to apply the insights you gain to develop your own individualized plan that will take your leadership effectiveness to a new level.

Upon completing the workshop, you will be better able to:

- Clarify and communicate your fundamental values and beliefs
- Set the example for others by aligning your actions with shared values
- Express your image of the future
- Inspire others to share a common vision
- Search for opportunities to change and improve
- Experiment with innovative ideas and learn from accompanying mistakes
- Build collaboration, teamwork, and trust
- Strengthen the ability of others to excel
- Recognize the accomplishments of others
- Apply the lessons learned in the workshop to begin building an initial Leadership Development Plan

The Leadership Challenge® Registration Fee (\$1,995) includes:

- A personal analysis of the Leadership Practices Inventory® (LPI) 360-degree online assessment.
- Workshop materials, including a copy of *The Leadership Challenge*, 5th Edition, by Jim Kouzes & Barry Posner
